US VERSUS CANCER - TOGETHER WE ARE STRONGER

Aloha Friends,

Please join us in support of the **2nd Annual Trucker Dukes Memorial Dive Tournament Invasive Roundup**, which helps provide life-saving financial aid services to cancer fighters in Hawaii. This unique keiki (+ adult partner) spearfishing tournament brings the community together in support of UVSC's mission, to remember those we've lost to cancer, and to extend hope to those continuing their brave fight. In addition, this event helps to raise awareness of harmful invasive fish species and eradicates them from our local reefs.

We are in need of generous community partners, like you, to donate:

- PRIZES for winning divers (keiki and adult) in all divisions, e.g. dive gear, spear guns, pole spears, and similar items
- gift cards and items for our SILENT AUCTION

Together, we can provide HOPE and ensure that no one fights cancer alone. We look forward to partnering with you and hope you can join us on June 22!

Mahalo for your consideration,

Kandice Johns, Executive Director

HELP FAMILIES FIGHTING CANCER IN HAWAII

PROVIDING HOPE FOR THOSE FIGHTING CANCER

ABOUT US: UVSC stands for “Us Versus Cancer” and is a Hawaii-based 501(c)(3) non-profit organization that was founded by cancer survivor, Jamil Newirth, and Chris Thibaut, who lost his father to cancer in 1997. Inspired by the community who took it upon themselves to organize events and support Jamil after he was diagnosed with Stage IV brain cancer, UVSC was created with a vision of bringing communities together to support each other in times of greatest need and against all odds – and most importantly, to provide hope so no one has to fight cancer alone.

OUR IMPACT: Since 2017, UVSC’s Financial Assistance Program has served 23 cancer fighters and their family members (nearly 80 individuals total) and provided over \$110,000 in aid to help cover out-of-pocket treatment-related expenses and basic needs. UVSC assists with a broad range of expenses such as: travel (air, lodging, ground transport) related to treatment, medical co-pays, utility bills, rental/mortgage assistance, food, medical devices, and much more. UVSC also maintains a special fund to assist cancer fighters that are Maui Wildfire victims, as well.

Mahalo for your support!
