

3rd Annual Trucker Dukes Memorial Dive

INVASIVE ROUNDUP

07.19.2025 BALDWIN BEACH, MAUI

SPONSORSHIP OPPORTUNITIES

ALL PROCEEDS SUPPORT UVSC'S
MISSION & WILL HELP FAMILIES
FIGHTING CANCER IN HAWAII

YOU MAKE US STRONGER

The unwavering commitment of our community partners make this event and our programs possible. Your support of the **Annual Trucker Dukes Memorial Dive Invasive Roundup** fuels our mission to provide critical financial support to cancer fighters, helps us remember those we've lost to cancer, and extends hope to those continuing their brave fight.

This event also helps to eradicate harmful invasive fish (roi, ta'ape, to'au) from our local reefs, which improves marine ecosystem health and promotes sustainable fishing practices. The Dive Tournament includes community resource booths with educational activities, arts/crafts for keiki, a silent auction and fun for all ages!

Please join us as a competitor, sponsor, or auction/prize donor today!

Jamil Newirth with Shauna
& Joshua Dukes

Trucker Dukes, UVSC Hero & 1st Beneficiary

UVSC'S MISSION: TO PROVIDE HOPE BY RAISING FUNDS FOR INDIVIDUALS FIGHTING CANCER, AS WELL AS SUPPORT CUTTING-EDGE RESEARCH FOR A CURE.

PROVIDING HOPE FOR FAMILIES IN HAWAI'I FIGHTING CANCER

OUR IMPACT: We help individuals facing cancer ease their financial burden so they and their families can focus on healing and living on. UVSC's Financial Assistance Program serves over 40 cancer fighters and their family members (more than 120 individuals total) in Hawai'i each year. We assist with a broad range of out-of-pocket expenses and essentials, such as: travel (air, lodging, ground transport) for treatment, medical co-pays, utility bills, rental/mortgage assistance, food, medical devices, and much more. Since 2017, UVSC has provided nearly \$200,000 in aid to these brave heroes to help ensure they can get the treatment they need, and provide for their family's basic needs.

ABOUT US: UVSC stands for "Us Versus Cancer" and is a Hawaii-based 501(c)(3) non-profit organization that was founded by cancer survivor, Jamil Newirth, and Chris Thibaut, who lost his father to cancer in 1997. Inspired by the community who took it upon themselves to organize events and support Jamil after he was diagnosed with Stage IV brain cancer, UVSC was created with a vision of bringing communities together to support each other in times of greatest need and against all odds – and most importantly, to provide hope so no one has to fight cancer alone.

***"Since they don't do transplants in Hawai'i,
there was a lot that insurance wouldn't
cover and USVC helped pay a lot of that!
I'm very appreciative! Thank you for
everything you do for cancer patients!"
- Victoria, UVSC Hero***
